

2017 Queensland Corvette Club Concourse

Sunday dawned sunny and hot as the CDUCC crew made their way down to the Old Corvette Club annual display at Southport. Once everyone had been checked in and parked their cars ready for judging the members checked out the vehicles on display. As well as Corvettes there was a display of Mustangs and other iconic American sports cars along with the Performax Corvette C7.

A total of 72 Corvettes were on display from all generations. A number of food stands and other merchants were spaced around the outer edges of the display area. For members who wanted to escape the heat for a while there was the option of a swim in the ocean or a visit to the Shopping centre across the road.

Judging was held about 2.30pm and a few of our members were lucky enough to win trophies – see pictures of “Winners are Grinners” – and departure commenced from 3.00pm onwards for the drive back to Brisbane which was not too bad for a change as the traffic while heavy was flowing reasonably freely.

Congratulations to the trophy winners.
